"The business was initially established in 1976 on market stalls in Darlington, Redcar & later Durham indoor market. We progressed to a retail shop in Peterlee in 1978 and moved on to two larger sets of premises over the years and to our current location in 2005. We aim to please and customer satisfaction is at the top of our list. The size of our premises enables us to keep a comprehensive product range at very competitive prices. Our senior management team have been with us since the 1980's, we have a very low staff turnover. We have a loyal customer base as reflected in our business success. We run 4 delivery vehicles & deliver parts to our trade customers on an hourly basis."
