I run a pub. I'm not an insurance expert, so it is great being able to phone Macbeth Scott or even just pop in and pick their brains about my insurance policy.

Jim Allcock,
The Shakespeare Inn, Kendal.

Macbeth Scott & Co dealt with my recent flood claim on my behalf from beginning to end. They were quick and efficient and kept me fully informed throughout.

CHARLES SCOTT (Director)

Back in 1973 Charles Scott came to work for Harnett and Richardson of Bermuda, a company that was soon to become Macbeth Scott & Co. He had previously worked as a management trainee for General Accident, all a far cry from his first job at Lipton's in Kendal for which he was paid £7 a week! Charles lists that, in his spare time, he enjoys sailing, rowing, squash, travel and rugby. That list doesn't mention music but in getting to know Charles it's clear that he

has a passion for music and live music in particular. Macbeth Scott & Co., without fuss or ceremony support a number of venues and events across Cumbria.

Established in 1972, Macbeth Scott & Co specialise in all types of insurance and concentrate on service value to our clients.

We are proud to be totally independent, privately owned, community based brokers and we strive to consistently offer you the best level of cover at the best price, and the soundest advice possible in regard to your insurance. We handle all of your work personally so you will never be redirected to a call centre. Instead you can deal directly with our friendly, professional team who will be more than happy to guide you through each stage of the insurance process.

We are able to offer tailored insurance packages for all manner of businesses, ranging from Holiday Homes to Restaurants, Public Houses, Factories and the Construction Trades.

Many of our products offer additional cover options not available in the standard insurance market and at very competitive premiums. In addition because we are local we understand the particular risks that apply to businesses in the Cumbria area, and our premiums reflect the low instances of risks such as flooding and subsidence for example. So you will only be paying for what you need, rather than risks that don't apply.

We were extremely glad to come across Macbeth Scott when searching for our Holiday Home Insurance. Their friendly, personable yet professional manner put us at ease and they are a joy to deal with.

Grace Irvine, Didsbury.

Proud to support live music from the Carlisle Blues Festival and across Cumbria.
